Harp Academy is the only harmonica music service for children from 4 to 11yrs in Sussex Primary Schools. We’ve been making music since 2010 and produced the UK’s junior champions every year since. The harmonica is a great way to access music and performance. It’s affordable, it plays in tune, it fits in a school bag, and it sounds really cool. If you’re interested, why not try one of our taster sessions? Just visit the Harp Academy website and click.

Drawing from the National Curriculum for music, Children enjoy a variety of weekly musical activities, including key skill development, repertoire and knowledge building, composition, improvisation, and we explore different musical elements each term. Our half-hourly lessons are tutored by professional musicians, all of whom have DBS checks, public liability insurance, safeguarding and first aid training.

Teaching times and dates are on the Harp Academy website, along with samples of the extensive online resources available to all our subscribers. If you can breathe in and out, you can play the harmonica. Check out our FAQs, click the Golden Harmonica and register your interest. We'll do the rest!
