Fishersgate Foodbank will be operating on a Tuesday starting next week..It will operate from the Lighthouse church. Please read the following before you plan to go:-
This service needs to prioritise the following:-

People on suspended benefits or sanctioned

No resource to public funds

Awaiting benefits to start

Awaiting first pay cheque

Families in crisis situation

If people are in isolation but able to afford their own food then we can point them in the direction of local volunteers possibly neighbours who will do this for them.

They also have access to 'baby basics' for newborns.

Please note this will be done by appointment so as to comply with social distancing.

You can do this by contacting

fishersgatefoodbank@gmail.com

A massive thank you to Hannah for co-ordinating this and to the Lighthouse Church for the space.

The first one is tomorrow, Tuesday 31st March.

**Foodbank is open (safely)
10-12 Tuesday & Friday -
ideally come with a referral
but not essential in these
exceptional times.**
