24th May 2021

Dear Parents/Carers

RSHE Update and Policy

Many thanks to everyone who responded to our recent Parent Survey, or who made contact with the Senior Leadership Team either in person or via email. Your input during this very important process has been invaluable.

Further to their meeting on 29th April, we are pleased to announce that the Governors have now agreed the final RHSE Policy and curriculum, as attached. Please take the time to read through it so that you are aware of what will be taught in each year group as of September. Each year parents will be informed, as and when RSE specific (not science or PSHE lessons) are scheduled to take place within their child's class.

The only part of the new RSE curriculum which we will be teaching prior to September are those lessons outlined for **Year 6 pupils**, shortly after half term. Parents/carers within this year group will receive a further letter detailing the lesson resources so that they are aware of the content being taught in case there are questions or concerns. The boys and girls will be taught separately during the sessions at this time.

Many thanks for your continued support

Best wishes

Dr Victoria Bishop
