7th July 2021

For attention of Year 5 parents and carers

Dear Parents and Carers,

We will be having our Year 5 puberty lesson soon. From next year, the topic of puberty will be introduced in Year 4 instead (following our PSHE review) and this learning will then be recapped in Upper Key Stage 2.

The children will be having their Year 5 puberty lesson on Friday 16th July 2021. In order to facilitate the answering of questions, the boys and girls will be taught separately for this session - the girls with Miss Kite and the boys with Mr Davies.

We wanted to inform you of the contents of the lesson in case you would like to discuss these prior to or post lesson with your child. These are: bodily changes, menstruation, erections and wet dreams. All children will be having access to the same lesson and materials. This lesson is part of the statutory science curriculum and so all children will take part.

Best wishes

Miss Kite and Mr Davies
