INFORMATION ABOUT UPCOMING EVENTS

- **Winter uniform:** please ensure all children are wearing winter uniform from Monday 7th October. The policy is available on our website (Parents & Carers > Uniform) or click on this link: [School Uniform](#)

3. **Letters sent home this week:** Click on the link to see past letters <http://www.stnicolasmary.w-sussex.sch.uk/page/?title=Letters+Sent+Home&pid=56>

- Y5 – Rainbow Theatre (*em*)

4. **Clubs:** all clubs will be running as normal next week. To check if clubs are running, please go to the Extra-curricular Activities page on the website [Extra-Curricular Activities](#)

Children attending after-school clubs will be brought out via the side gate when the club is finished so could we please ask parents/carers to wait by the gate when picking up from clubs rather than in the foyer. It can get very noisy when people gather in the foyer and with an open plan office it becomes difficult for office staff to hear people on the phone etc. Thank you for your support on this which is much appreciated.

5. **Worship & Ethos:** 'Come to me, all you who are weary and burdened, and I will give you rest.' **Matthew 11:28**6. **Octopus & Starfish Clubs**

- Bookings can now be made for the 2nd half of the autumn term via sQuid. Please click on the 'Bookings' menu and navigate to 'Available Bookings' to select and book as required.
- Parents & carers of children who are new to the school can now book and pay for sessions on sQuid, as above.
- Little Octopus & Little Starfish Club bookings for the 2nd half of the autumn term will be available shortly
- *****Save the Date***:** The PTA are organising a 90's Adult Glow Disco for parents/friends/staff on 18th October. This is a great chance to get your friends together (either class or outside school) for a fun evening dancing the night away to 90's hits with neon lights. Tickets available very soon via pta events.

7. Thank You!

- **Coats for Kids:** thank you very much to all who donated coats this week – we had quite a bundle ready for collection which will be much appreciated by families in the area.
- **Jeans for Genes:** thank you for your donations on Jeans for Genes day – we raised £327.00.
- **School Calendar:** thank you to everyone who completed the survey, there is still time to respond if you would like to participate.
- **Census:** All children entitled to free school meals tried hot meals yesterday. Thank you for your support and encouragement which is very important in ensuring adequate funding for the school.

8. Health and Safety

- **PARKING:** following last week's request to parents/carers to park safely and considerately, we were disappointed to spot several cars still parking badly. This is putting our children's lives in danger and the school will not hesitate to report such incidents to the police.
- **Reporting bad or inconsiderate parking: Anybody** can report bad or inconsiderate parking by going to www.operationcrackdown.org You just need to include the registration number, make and model of car, location of the incident. We would encourage any parent/carer who witnesses dangerous parking to report it immediately.
- **School Crossing Patrol Officer:** we are delighted that Mr Lilley, our School Crossing Patrol Officer, will be back to work from Monday 7th October 2019.

9. **Individual School Photos:** Proofs of individual and sibling photos have now been sent home. Please note that orders must be made online by Thursday 17th October 2019.

10. **Resources for intervention:** We would be very grateful for any donations of the following to assist our intervention team: Money boxes, toy coins, bean bags, hula hoops, balloons, bubbles and small soft footballs. Please hand in any donations to the school office.

11. **Screenagers:** The world of social media is immensely challenging for our children. Do take your children to see 'SCREEN-AGERS', an award winning film about growing up in a digital age. 14th and 15th October at Sussex Yacht Club. See attached leaflet for more info. Mr Etherton

SCREENAGERS

GROWING UP IN THE DIGITAL AGE

Screenagers is a thought-provoking, award winning film that probes into the vulnerable corners of family life. It depicts our ongoing struggles over screen time, social media and gaming, and includes insights from psychologists, scientists and academics. The film offers solutions about how we and our children can better navigate the digital world.

Following the film, there will be a chance to discuss our thoughts in groups, aided by a team of helpers.

Bring your children along and watch the film together. Screenagers doesn't promise all the answers, but it's a great conversation starter!
