What A Good One Looks Like

Rubbing his eyes, Matthias saw many glittering objects lined inside the magpie's nest. Matthias could not believe what he saw, lost goblets, stolen coins, missing bracelets, vanished headdresses... all here! He rushed back to the baths, his arms piled with gold as a crowd of excited masters and servants alike gathered around him. He explained the afternoon's mysterious events before reuniting grateful masters with their missing belongings. From that day forward, Matthias would always be known as a local hero and returner of the lost treasure!
