

Year 3 Home Learning

Friday 9th October 2020

Whole class spellings: homophones

brake	break	there	their	sun
son	where	wear	eight	ate

Remember to practice your spellings (look, cover, write, check) ready for our spellings test next Friday. Sea Lions have a times tables test on a Thursday and Seals have one on a Friday. You have been given the tables you need to be practising but also don't forget to practise any you learned in year 2!

Sumdog:

Well done to everyone who has had a go at Sumdog this week. It's really important that you do a bit of Maths outside of school each week as it really makes a difference! Log onto Sumdog (www.sumdog.com) using the log in card you've been given and then click on Games (on the left) then choose some games to play. Sumdog uses the first few games to work out your maths level so that from then on the games should be just the right level for you!

Times Tables Rockstars:

We have also joined up to Times Tables Rockstars - a fun website to practise your tables. Each child has a log in card. Give it a go!

English Resources:

If you would like to do some English work at home look at the English section of the school website: • Home» Parents & Carers» Curriculum» English.
