Happy Tunes Music Lessons are unique! We are one of the first in the UK to teach using a ground breaking method for children designed by award winning flautist Kathi Blocki.

Lessons are packed with gadgets, games and activities to maximise engagement that makes learning an instrument easy and FUN! Group classes (with a maximum of 6 children) are underpinned by the importance of movement which helps fire up young brains to build new skills and foster all round learning. We provide NUVO woodwind instruments for all groups which are again designed for children age 4-12. An affordable way for your child to learn to play a woodwind instrument earlier than usual and without initial instrument costs. Learning to play a smaller, lightweight, TooT, DooD, Flute, Clarineo or J-sax means your child will then easily move on play the traditional instruments as they grow.

A wonderful way for your child to start their musical journey - something every child deserves!

Group and 1: 1 learning available

KS1: TooTs and DooDS

KS2: Flute, Clarineo, J-Sax.

### A great way to learn music

We recently showed your child how much fun it is to play the harmonica. It sounds great, it's easy to carry and it's cool for boys and girls alike. In fact it's the perfect way to get into music for children of any age, from Reception and Key Stage 1, to Key Stage 2 and beyond. And it's much more affordable than other instruments. No tricky keys, frets or finger holes for small hands! If you can breathe in and out, you can enjoy making music on the harmonica.

"Last week two Harp Academy children performed *Somewhere Only We Know* to the whole school. You could have heard a pin drop! It brought tears to our eyes. You do a great job. Thank you."

At Harp Academy we love having fun! Playing to audiences is a vital part of our curriculum. We understand how performance builds self confidence and creates happy memories for everyone. When children are ready, their journey starts with playbacks in school assembly. From there we attend local events such as Paddle Round The Pier, children's hospitals and JAM Brighton. At October half term, children can compete at the national harmonica festival, where we have been producing champions since 2011!
