

12/11/2024

Dear Little Fishes Parents and Carers,

We are delighted to announce that our **healthy & nutritious lunch service** – which has been available to St Nicolas & St Mary's pupils since September – **will be extended to include children attending Little Fishes Nursery from Monday 25th November.**

At Go! Catering we understand the significance of providing a child with a lunch. We know that meals and mealtimes are a very important part of family life, and that lunch is an important part of the school day. Over the last 10 years, our skilled catering team have produced over 500,000 children's meals – meaning that we understand and mirror your expectation of providing high quality, healthy lunches that your child enjoys.

What to do if you'd like your child to start receiving our lunches:

- **Click here to register an account on our online booking system** <https://bookings.gocatering.co.uk/>
- Add your child's details to your account, including any relevant dietary requirements that may apply. *Please note: This process should take no longer than 5 minutes. You will not be able to book meals for your child until this is complete.*
- Book the lunches you require for your child, selecting either of the following options:
 - Permanent Booking – set days each week, on a rolling basis. Payment collected monthly in advance.
 - Ad-Hoc Booking – individual dates, with no ongoing commitment. Payment at the time of booking.*Please note: Any lunches you'd like for your child must be booked at least 4 working days in advance.*

How much does it cost?

- We will be providing **free tasters** for all lunches served during the week beginning Monday 25th November.
- To book free taster lunches: Make a separate Ad-Hoc Booking and enter the Promo Code: **LFNOV24**
- From Monday 2nd December onwards, lunches will cost **£2.75 per day**.

What can you expect from our service?

- ✓ Carefully planned menus that are **nutritionally balanced** – to keep kids full throughout the afternoon.
- ✓ Lunches **freshly prepared & cooked each day** – before being delivered from our dedicated industrial kitchen.
- ✓ An **environmentally friendly** approach – with minimal food, storage or other packaging waste.
- ✓ And, most importantly, **lunches that children can look forward to!** Our previous experience providing meals has provided us with a real sense of what children enjoy.

What will children receive each day?

A substantial and healthy main meal (such as a roast dinner or pasta bolognese), with access to fresh salad items as a complement. The main meal is also followed by a daily dessert (such as homemade flapjack, cake or mousse). Every child that books a lunch will receive a meal based on their individual dietary requirements (i.e. allergies or intolerances), with a vegetarian alternative provided daily.
