### Food

The café session will take place on the morning of Wednesday 14<sup>th</sup> July. During the session, we will be serving fruit juice and baguettes accompanied by some different French cheeses, grapes and tomatoes. We would be grateful for a £1 contribution per child to cover the cost of these items. It may be worth sending your child in with a smaller packed lunch this day.

### Payment

Please make your payments and give consents via your sQuid account. If you are unable to access sQuid please bring £1 to the school office and request a paper version of the consent form. You are invited to make a voluntary contribution to cover the cost. However, unless all parents, who are able to, contribute towards the costs, the event may not take place. If you are not able to pay the full amount please contact the school office by phone or email who will arrange for a member of the Senior Leadership Team to discuss the matter further with you.

Kind regards

The School Office
