Dear Parents/Carers,

As part of the KSI science curriculum, which looks at seasonal changes and animals, Year One are having a special talk from a hedgehog expert on Friday 9th December in the school hall.

Each class will receive a half hour talk from a representative from the Saint Francis Animal Care - Hedgehog Rescue Centre and will have the opportunity of meeting a real hedgehog!

Hedgehog numbers are dwindling in the UK and we are really happy to be supporting this special centre, which cares for sick and injured hedgehogs.

Please remember to ask your child about what they have learnt from the talk!

Best wishes

Miss Gallagher and Mrs Crawford
Year One Teachers
