Dear Parents and Carers

DIY day - Saturday 24th September – Refreshments and lunch provided by the PTA

Over the years parents and friends of the school have helped us do some amazing projects around the school. One of our best projects was to build our much loved 'Castle'. Parent power (literally!) helped us save tens of thousands of pounds!

A working party from yester-year!

We had hoped to organise another working party to improve our ground a couple of years ago. However, with COVID, this was not possible! We would now love to give our school a bit of TLC to make it a better place for our children to learn and play.

Please join us from **8.30am Saturday 24th September.**

We will be there all day but if you can only come for a couple of hours that would be much appreciated.

Projects we hope to complete 😊	Cost if we bought it
Tunnel	£3,000
Small boat	£6,000
'Islands'	£3,000
Activity fence	£2,000
Wigwam	£2,000
Train	£6,000
TOTAL	£24,000 !!!

If you are a skilled chippy, please be in touch! (Do ring via the school office)

We are also hoping to lay some artificial grass and will need gardeners and painters!

Please bring tools – particularly battery-powered screwdrivers. Parents/carers bringing tools may use the staff car park (at your own risk) subject to space.

Massive thank you to the PTA who will provide some snacks to keep us going and funding for these projects.

Children are welcome to play on the field/castle but parents/carers are responsible for them at all times.

If you can help on Saturday 24th September, sign up or just turn up! It will be a great opportunity to meet others, have a bit of fun and save £thousands for the school!

Please join me!
