

# Coats *For All*

Dear Parents

Coats4All Shoreham was formed as Coats4Kids, five years ago, by some community leaders to pass on warm, waterproof and machine washable coats both second hand and new to children who need them most. The group consists of representatives from the Lions International, the Woodcraft Folk, Co-op Community Space, the local churches and a teacher.

Once again, we are coming together as a community to help each other, but this year we are extending our collection. **This year we will be collecting coats for any age from baby to 100!**

For us to be able to do this we would like to ask for any coats to be donated to your child's school. We are collecting these items for all ages. They need to be **warm, waterproof and machine washable.**

The Lions will be collecting these from each school on the **morning of Tuesday October 4th** so please ensure that they are brought into school on that morning. They will then be taken to a central place to be sorted in age groups, ready to be distributed to families who need them.

We will be sending out details to all schools about where you can get a coat from when they are all ready to be distributed.
