Read Write Inc.

Phonics

Welcome...

Our Vision…

Our vision is to empower pupils to express themselves confidently and creatively through their speech and writing. Pupils will leave our school with the tools needed to read, write and present their work in a range of contexts. Teachers will provide access to a wide variety of texts and experiences which stimulate the imagination and inspire writing outcomes. Our pupils will **develop a love for reading** that will broaden their horizons and also equip them with the skills necessary to access all other curriculum areas. Pupils will learn to write for real audiences and purposes through exciting, cross-curricular units of work.
