

LITTLE FISHES NURSERY

ST NICOLAS & ST MARY CE PRIMARY SCHOOL

Admissions and Oversubscription Policy and Procedures 2023/24

Admissions Authority

The Bishop Otter Academy Trust (BOAT) is the admissions authority, responsible for the admissions policies and decisions on applications for admission to the schools and nurseries within the Trust. The Trust delegates the responsibility for admissions arrangements for each academic year to the Local Governing Body of the school.

Nursery places are limited so that the school can ensure a suitable adult : child ratio is maintained, taking into account the size of accommodation, government regulations and best practice.

The Governors' policy is to admit children, one of whose parents fulfil the admission criteria shown overleaf, with priority being given in the order shown numbered 1 to 7.

Definitions

- **Parent** – the term 'parent' includes legal guardian.
- **Siblings / Step brother/sister** – a sibling is a full, half or step brother or sister, adoptive or foster brother or sister, permanently living in the same household.
- **'Children Looked After'** – A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order* including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

**An adoption order is an order under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).*

- **Children of UK Service Personnel and Crown Servants** - For families of service personnel with a confirmed posting, or crown servants returning from overseas, governors must:
 - allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. Governors must not refuse to process an application and must not refuse a place solely because the family do not yet have an intended address, or do not yet live in the area
 - use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address.

In addition, governors are required to use a Unit or quartering address as the child's home address when considering the application against their oversubscription criteria, where a parent requests this.
