

Geography Year 1

Shoreham-by-Sea

Key Facts

- Human features are man-made (shops, school, houses).
- Physical features are naturally created (hills, rivers, sea).
- The symbols at the side of a map are called the key. They tell us what the places on the map are.
- Landmarks are things that you can easily recognise from a distance. They help us to know where we are.

Geographical Skills

Investigate surroundings and ask questions

Compare the Geographical features of London and Shoreham

Make a key for a map

Draw a simple map of the playground

Follow directions (up, down, left, right, forwards, backwards)

Key Vocabulary

History: Landmarks of Shoreham

Recount changes that have occurred in their own lives. Use pictures to find out about the past.

- How has Shoreham changed in my lifetime?
- What changes have happened to me in my lifetime?
- How has the footbridge changed?

Shoreham Footbridge built 1921 Adur Ferry Bridge built 2013
