

My dear brothers and sisters, take note of this:
Everyone should be quick to listen,
slow to speak and slow to become angry.

James 1:19

Have a great weekend.

- **Maternity leave:** We are really pleased to announce that Mrs Westcott is expecting her second child and will be beginning her maternity leave at the end of this term. Mrs Christy will be returning from her maternity leave and joining Mrs Banner as class teacher for our Y3 Sea Lion class.
- **New Staff Member:** We are delighted to inform you that Mrs Caroline Byrne will be joining the admin team, and will start next week.

4. **HEAD LICE:** There have been several cases of head lice in school this week. Head lice are not a health hazard because they do not carry serious diseases but they are a persistent nuisance in schools. To control outbreaks it is important that you check your child's hair on a weekly basis and not just when you receive a text notifying you of cases in school. For more information on checking your child's hair and options available for treatment please follow the NHS link <https://www.nhs.uk/conditions/head-lice-and-nits> If you find your child does have head lice, please

inform the school office and anyone who may have had head-to-head contact with your child. To help prevent the spread of head lice:

- comb your child's hair regularly with a nit or bug-busting comb. You can buy these from your local pharmacy;
- periodically inspect the hair of all the children in the family;
- do not be embarrassed to tell the parents of any other children who may have had head-to-head contact with your child;
- thank other parents if they let you know that their child has lice.

5. **HEXAGON ON CHERRY TREE PLAYGROUND:** For their safety, please do not let your children play on the Hexagon on the Cherry Tree Playground. The barriers will be replaced soon.
6. **PARKING - TRAFFIC WARDENS:** We are expecting traffic wardens to patrol the area more frequently due to on-going reports of dangerous parking around the school. **Please, please, please think about your parking.**
7. **DOGS:** Please **do not bring your dog on the school premises**, at any time of day. This includes drop off and pick up from Octopus and Starfish club, and all after school clubs. Dogs must not be tied to the school notice board. There are designated rings on the school fence where dogs can be safely left.
8. **Y6 BASKETBALL TEAM:** This week our Basketball team competed in the Shoreham Schools tournament at Shoreham Academy. It was fast and furious with amazing basketball skills on show. Our team played amazingly well, narrowly missing out of the final and were a great credit to our school. Well done Basketball team.

10. **CORONAVIRUS – IMPORTANT INFORMATION**
 - **What to do if your child has symptoms:** please do not send in your child if they have symptoms e.g. a persistent cough. Please arrange for your child to have a PCR test as soon as possible. Your child cannot attend school again until they have received a negative test result or they have isolated for 10 days.
 - **What to do if your child has a positive PCR test:** please inform the school and keep your child in isolation for 10 days as advised by the NHS.

Children aged 3 yrs to 11 years from any school welcome

We are a Playwork based setting allowing all children to have a choice in what they do, while they are in our company. Every day we provide a wide and varied range of resources, equipment and activities for them to choose from and actively encourage them to make new friends and participate in any planned activities. The daily timetables are clearly displayed in the setting each day, but we are flexible in our planning; as our aim is that the children have non-stop FUN all day, every day. Therefore, we may change/adjust plans to suit their needs and their play ideas. Older children have their own supervised dedicated area (YR4+) whilst younger Pre School children will have their own keyworker.
