7. **SAFE GAMING:** Do join one of Gaming4Good webinars where you can hear from a panel of experts in family gaming, psychology, gaming risk and finance, about how to approach your child's gaming to help them get the most out of it ... and avoid the pitfalls.

8. **KEEPING ACTIVE AND FIT COMES IN MANY WAYS**

It is very important for children to be active for at least an hour a day. We are very fortunate in having our lovely field where the children can run and be active. Strengthening activities, such as climbing and jumping are also important and a group of year 4 girls loved trying out balancing. Great teamwork girls!

9. **HEALTH & SAFETY – CORONAVIRUS – IMPORTANT INFORMATION**

- **Symptoms:** if you or members of your household have symptoms of coronavirus the whole household must immediately go into self-isolation and children in the household should not attend school. Please arrange a test(s) for anyone with the symptoms urgently. This will help to ensure that in the case of a positive test result, contacts of the person can self isolate promptly to prevent further spread of infection to the wider community.
- **Getting tested:** <https://www.gov.uk/get-coronavirus-test> or call 119. If having a home test, please use the test as soon as it arrives and return it in the post the same day using a priority postbox.
- **Positive test result:** we have a dedicated email address to advise us if you receive a positive test result for your child (or yourself if you have been volunteering in school or if you consider that pupils or school staff have been in close contact with you), which will be monitored over weekends and holidays so that prompt action can be taken: positivetest@stnm.org.uk. Please use this address for this purpose only.
