

Year 2 News

A newsletter for Year 2 Parents and Carers

Summer Term 2025

Home Learning

The home learning will continued to be posted on Google Classroom every Friday. This should be completed at home and brought into school by the following Friday. Please continue to complete the tasks in any format you would like e.g. plain paper to avoid printing. If you have any concerns, please let us know.

Reading

Your child should continue to read with you most nights of the week. It would be helpful if you could also ask a few questions about what they have read to encourage them to engage fully with the text. If they are fluent readers, they could read a section independently and then discuss with you what they have read. If your child is in a Read Write Inc group they should be bringing home a phonics class paper RWI book, a RWI book bag book and a 'Reading for pleasure' book each. Please continue to fill in their reading diary and send your child into school with it every Monday to be checked! **Please ensure books come back to school as we have a very limited supply!**

Maths

It is so important for your child to keep learning/practising his or her times tables. Whether this is focussing on just the x2 or practising the x2, x5 and x10, daily practice of these really helps their progress. Sing them, chant them, work the answers out using concrete resources... it all helps! Don't forget to look out for exciting online games and apps that support learning the times tables, e.g. Hit the Button. If your child is confident at answering 'random' x2, x5 and x10 questions, they can then learn the x3 and x4 and the corresponding division facts.

**We hope you
all had a
really lovely
Easter!**

Some important dates:

Perform Seaside Workshop - 13th June.

Seaside Afternoon Showcase - 4th July

Beach Walk - 9th July (date may change due to weather)

Dates

For other important school dates, please see the school calendar on the website.

Making Appointments

If you need to see one of us for any reason, please feel free to catch us after school. We can discuss the concern then or make an appointment for another time.

For all curriculum information follow this link to the school website.
