

Year 6 Spring Newsletter

Happy New Year!

We hope you all have had a lovely Christmas and start to 2026.

School Uniform

Don't forget that your child needs to have his or her PE kit in school at all times. Please wear the correct PE kit, as stated in the school policy.

Please be aware that your child will not be allowed to take part in contact PE with earrings in – this includes them being taped up. They may be given other tasks to complete instead.

Please remember that fleeces are not to be worn in class as stated in the school's Uniform Policy. Pupils are allowed to wear them to and from school and at break times. Please do consult the Uniform Policy for further information. If you do require any spare uniform, please do get in contact as we may have some for you!

Our India Topic

If anyone has been on holiday to India and has any photos that they would be willing to email in, we would love to see them and maybe add them to a lesson or display!

Home Learning.

This term, we will continue to set Home Learning on a Monday, to be due in on the following Monday- it will be posted on Google Classroom.

This year we have bought into an online revision, support scheme that will be a great support for the children on the lead up to their assessments in May. Each pupil will have their own unique login and we will be giving these out very soon. Each week, we will post on Google Classroom what the expectations are and, as always, if you have any issues with logging on or any questions in general please just get in touch with us via the Office.

Academically, this is a very important part of the year so we thank you in advance for your support.

Spelling...

We will be giving out spelling lists every week and posting them up on Google Classrooms. We will be having a weekly test on these words (just for this term) so please encourage your children to practise them at home.

SATS

During this half term, we will hold another 'Mock SATS' week in preparation for the May exams. The Year 6 Team will plan very carefully how to administer and support each of the children. Please feel free to contact us if you have any questions regarding this. We will also be having a meeting about the SATs in the near future and will let you know the date ASAP.

School Trips

Dalesdown

Our much anticipated Dalesdown residential trip is drawing closer. The residential dates are: Monday 1st– Friday 5th June. More details about this trip will follow later in the term, when we will arrange a meeting to answer any questions.

Curriculum

For information on what we will be learning as part of our India topic, please see the curriculum pages on our website.

[St Nicolas and St Mary CE Primary School - Curriculum](#)

This is a list of useful vocabulary that we will be using in class this term. It would be great if parents/carers could support with the learning of these spellings at home (this is not for a formal test!).

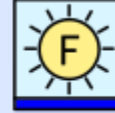

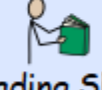

India
Tiger
Taj Mahal

Hindu
New Delhi
Ganges

Monsoon
Subsistence
Farming

With the newsletter this term, we are also including a simplified, general year group timetable to support families at home. You will find listed the main lessons that happen on each day in a normal week. Please note that the order of lessons may vary by class. We hope that you find this useful.
