

Easter Holidays Home Learning

Spelling challenge:

Practice writing down sentences which have been **dictated** to you by someone else. See if you can get the **spelling, grammar and punctuation** all correct under pressure! Practice on a sheet of paper, then bring in the sheet to show me.

Ideas for dictated sentences:

Sentences which included **homophones**: *Where will I be able to wear my beautiful new hat to?*

Sentences with **contractions**: *Joe didn't realise that you shouldn't sing on public buses!*

Sentences with **speech punctuation**: *"Watch out!" yelled Maria at the jungle explorer.*

Extra challenge: someone dictates 2 or 3 sentences. Can you work out where each new sentence should start?

Maths challenge.

Remember to log in to Sumdog and tackle our 'Easter Mega Mix' challenge. There will be Best Points for accuracy and effort.

Topic challenge (optional):

Next term, we will be looking at the **Romans**! The Romans were brilliant builders and created bridges, aqueducts and all sorts. Do some research into a **Roman building** and see if you can recreate it using things you would find around the house (cereal boxes, egg cartons, straws, lego, play dough etc.).

Bring in either the **model** you made or a **photo** of it for our display!

HAPPY EASTER!
