

Summer half term Home Learning

25th May 2017

Reading challenge

- Bring in a photo of you reading in an interesting place for our display
- Write a book review to be shared with the class

Maths challenge:

Option 1- practice reading the time past and to, to the nearest 5 minutes (eg. 20 past 3 or 5 to 11).

Option 2- can you read the time on both digital (12hr) and analogue clocks? Can you work out what time it would be a bit earlier or later (eg. What is 25 minutes earlier than quarter past 3 or 3:15?)

Option 3- can you read the time on both digital (24hr) and analogue clocks? Can you work out what time it would be a bit earlier or later (eg. What is 2 hours and 25 minutes earlier than 13:05 or five past 1?)
