

Hello and welcome to the Year 4 Seahorse and Sea Otter Self- Isolation Guide! w/b 30th Nov 20

If you are poorly, you might not be up to doing lots of work. However, if you are isolating at home because someone else is poorly, here are things for you to do each weekday:

Maths (1 hour)	<p>Start the day off with some TTRockstars to get your brain in gear!</p> <p>Our current maths learning is all about multiplication and division. Work your way through these multiplication and division lessons (one per day, starting from lesson 1)</p> <p>https://classroom.thenational.academy/units/multiplication-and-division-70b8</p> <p>If you have done all of these, explore some more of the maths catch up lessons. Finish up your maths learning with a couple of games on Sumdog.</p>	
English (1 hour)	<p>Start off your English learning each day by visiting Pobble and having a go at today's Question Time, Sentence Challenge and Sick Sentences. Don't forget to check the home learning page for spellings to practise.</p> <p>Our current English learning is all about poetry. Try these BBC Bitesize activities: https://www.bbc.co.uk/bitesize/articles/zqc3n9q</p> <p>If you have done all of these, explore some more of the English catch-up lessons.</p>
