

Hello and welcome to the Year 3 Sea Lions and Seals Self-Isolation Guide!

If you are poorly, you might not be up to doing lots of work. However, if you are isolating at home because someone else is poorly, here are things for you to do each weekday:

Maths (1 hour)	<p>Start the day off with some TTRockstars to get your brain in gear!</p> <p>Our current maths learning is all about <u>number and place value</u>.</p>  <p>Day 1- Number bonds to 20 https://www.bbc.co.uk/bitesize/articles/zjn3gwx</p> <p>Day 2 - Add and subtract 2-digit and 1-digit numbers https://www.bbc.co.uk/bitesize/articles/z6vm6v4</p> <p>Day 3 - Number bonds to 100 https://www.bbc.co.uk/bitesize/articles/znmpf4j</p> <p>Day 4 - Add 2-digit numbers https://www.bbc.co.uk/bitesize/articles/zvxxt39</p> <p>CHALLENGE: Add 3-digit numbers https://www.bbc.co.uk/bitesize/articles/z78q8hv</p> <p>If you have done all of these, explore some more of the catch up Maths lessons.</p> <p>Finish up your maths learning with a couple of games on Sumdog.</p>
English (1 hour)	<p>Start off your English learning each day by visiting Pobble and having a go at today's Question Time, Sentence Challenge and Sick Sentences.</p>  <p>Our current English learning is all about non-fiction writing. In class we will be creating fact files. Watch the clip https://www.bbc.co.uk/bitesize/articles/zyb8r2p and create your own fact file. You could choose to create a fact file about badgers as the materials suggest, or research and an aspect of Victorian life that interests you. (eg inventions, food, clothes, transport) Add pictures to include more detail.</p>
