

Hello and welcome to the Year 5 Learning from Home Guide!

We hope you have had a fun Christmas and we can't wait to hear all about it when you are back in! Here is your Home Learning for today (Monday 4<sup>th</sup> January).

Maths (1 hour)

Have a go at this [Starter Of The Day](#) - think carefully about where you will put each each number!

To revise multiplying and dividing by powers of ten, please download the sheet from the Home Learning page. You do not need to print it, just copy out the tables and write out the answers. If you are stuck, use this [BBC Bitesize page](#) to help. Remember, think about where you need to move the numbers in your place value grid!

M Millions 1 000 000	Hth Hundred Thousands 100 000	Tth Ten Thousands 10 000	Th Thousands 1000	H Hundreds 100	T Tens 10	O Ones 1	t Tenths 0.1	h Hundredths 0.01	th Thousandths 0.001

English (1 hour)

Our new topic is all about [Mountains and Rivers](#)! Our first English unit is to write some shape poems all about mountains or volcanoes (which are a type of mountain!).

It would be great if you could spend today doing some research about mountains and create a word bank of any useful vocabulary. Start by looking at the BBC Bitesize page about mountains and then try using [Kiddle](#)\* to find out more.

Star Challenge: can you write some expanded noun phrases using any of the words in your word bank?

*\*Grown ups: 'Kiddle' is an internet search engine that works hard to be child-friendly. We would advise that internet usage is still monitored, just in case!*

PE	<p>We will be starting <b>hockey</b> as our new sport in PE!</p> <p>Have a look at the following links to find out:</p> <ul style="list-style-type: none"><li>• Why hockey is great <a href="https://www.bbc.co.uk/sport/get-inspired/23160255">https://www.bbc.co.uk/sport/get-inspired/23160255</a></li><li>• How to play <a href="https://www.youtube.com/watch?v=IZCzbslH8jo">https://www.youtube.com/watch?v=IZCzbslH8jo</a></li><li>• More detail about equipment and rules <a href="https://www.wikihow.com/Play-Field-Hockey">https://www.wikihow.com/Play-Field-Hockey</a></li></ul>	
<p>Please make sure you continue reading. Try to manage at least 20 minutes every day. Keep a note of what you read - you can complete AR quizzes when you come back to school!</p>		

Please keep all of your work safe so that you can show it to us when you come back to school. If you have any questions that your grown-up can't answer, make a note of them and we can always go through them when we are back together.

Well done for working hard. We look forward to seeing you soon!

Mr Davies and Miss Kite
