

Tuesday 5<sup>th</sup> January 2021

Happy New Year! We would be very grateful if you could encourage your child to complete the three learning tasks below. Please ensure that your child is continuing to read – whether that is you reading to your child, hearing them read or them reading independently.

Many thanks! Mrs Westcott, Miss Such and Miss Cleaver.

### Literacy Activity:

Research a Rainforest animal, such as sloths or spider monkeys. Try to learn interesting facts about your animal – what is it's diet? Which countries does your animal live in?

Then create a poster about your animal – it would be lovely if you could send in (email a picture to the office) your completed poster so we can have a look!

### Maths Activity:

Start off by logging on to SumDog and playing some Maths Games. Please email the school if you require your login/password being resent to you. Then practise adding 3 digit numbers using column addition using this [BBC webpage](#). If this is too tricky then focus on 2 digit addition instead – use this [webpage](#).

### Topic (Rainforest) Activity:

Use an atlas or the internet to complete our map challenge. Can you label the following on to the blank world map?

1. The continents – Europe, North America, South America, Australasia, Asia, Africa, Antarctica.
2. The Amazon Rainforest.
3. A country beginning with the letter I – you choose which one!
4. A country beginning with the letter B.
5. A country beginning with the letter J.
6. A city in Europe.
7. A city in South America.
8. Shoreham-by-Sea!

Stay safe and we will look forward to seeing you very soon.
