

Hello and welcome to the Year 1 Self-Isolation Guide!

If you are poorly, you might not be up to doing lots of work. However, if you are feeling well, here are things for you to do each weekday:

Maths	<p>Start the day off with some Topmarks or Phonics Play games to get your brain in gear!</p> <p>Follow the Oak Academy lessons on addition and subtraction:</p> <p>https://classroom.thenational.academy/units/addition-and-subtraction-within-10-77cd</p>	
Phonics	<p>Make sure that your child spends sometime on “Teach Your Monster to Read” and make sure you read with your child.</p> <p>https://www.teachyourmonstertoread.com</p>	
English	<p>Start off your English learning each day by reading for 15 minutes and have a go at Phonics Play.</p> <p>Follow the Oak Academy lessons for “The Magic Paintbrush” unit</p> <p>https://classroom.thenational.academy/units/the-magic-paintbrush-mood-1d98</p>	

Other	<p>For your other lessons today, have a look at BBC Bitesize and choose some Topic (exploring locations) Science (Animals) RE</p> <p>DT: design and make a London landmark using materials at home.</p>	
-------	---	---

Well done for working hard. We look forward to seeing you soon!

Mrs Crawford and Miss Fletcher
