

Little Fishes Class News

A newsletter for Little Fishes Parents

Autumn Term 2022

A big welcome to all new and returning Little Fishes pupils and parents! The children are settling in well and we are looking forward to a fun packed autumn term.

During these first few weeks we are focusing on getting to know each other and our new nursery environment.

We are encouraging the children to be independent upon arrival and to do their jobs: coat on peg, water bottles and lunchboxes into the correct box.

Our Learning

Each week we will focus on a different area of learning along with following the Children's interests.

Please leave a bag with a complete change of named clothes on your child's peg in case of accidents and nappies/wipes if required.

We do keep spare clothes in the nursery but often a child feels more comfortable in their own.
