Information for applicants

Welcome

Welcome to 'BOAT'. We are delighted that you are considering working for a school in our trust! This information sheet tells you a little about our trust.

Our Vision – Wisdom for Life

The Trust is aspirational for every child to achieve their potential and be equipped with 'Wisdom for life'. We aim to be a mutually supportive community where we strive for transformational educational excellence through effective partnership within and beyond the Trust.

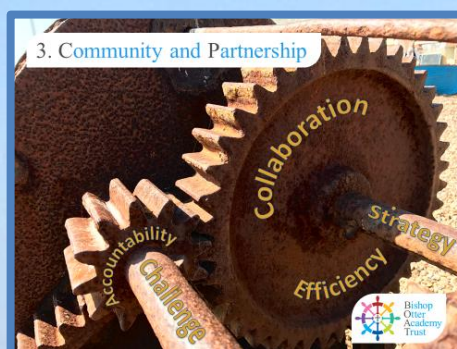

Our three core aims are *Wisdom for Life*, *Educational Excellence* and *Community & Partnership*.

Governance

Our board of trustees is appointed by the Diocese of Chichester and works closely with the Local Governing Body.

Trustees are responsible for the overall vision of the trust, holding leaders to account for providing excellent education and ensuring that money is well spent.

Message

We have a fantastic team of staff in our school and trust. We really value the contribution that staff make directly or indirectly to the education and well-being of our children. Staff well-being and professional development is also a high priority for us. Working in a school can be tough and we are committed to supporting staff to thrive.

David Etherton CEO

What is BOAT?

The Bishop Otter Academy Trust (BOAT) is a Church of England, school-led Academy Trust. Academy Trusts are education charities that are set up purely for the purpose of running schools and providing great education.
