

Year 6 Spring Newsletter

Happy New Year!

We hope you all have had a lovely Christmas and start to 2024.

Pencil Cases

All children in Y6 can now have a small pencil case in school.

PE KIT!

Don't forget that your child needs to have his or her PE kit in school at all times. Please wear the correct PE kit, as stated in the school policy.

Please be aware that your child will not be allowed to take part in contact PE with earrings in - this includes them being taped up. They may be given other tasks to complete instead.

Our India Topic

If anyone has been on holiday to India and has any photos that they would be willing to email in, we would love to see them and maybe add them to a lesson or display!

Home Learning.

This term, we will continue to set Home Learning on a Friday, to be due in on the following Friday- it will be posted on Google Classroom. Children will continue to have their SATs Buster homework books as well as additional maths and English revision guides later on in the term.

It is important children keep on top on their work and hand homework in on time, in preparation for the demands of secondary school.

Please do your best to encourage your children to read every day, and to hand their Reading Journals in on a Friday.

Have a look at the following website for some great ideas on what to read!

School Trips

Dalesdown

Our much anticipated Dalesdown residential trip is drawing closer. The residential dates are: Monday 3rd - Friday 7th June. More details about this trip will follow later in the term, when we will arrange a meeting to answer any questions.

Spelling...

We will be giving out spelling lists every week and posting them up on Google Classrooms. We will be having a weekly test on these words (just for this term) so please encourage your children to practise them at home.

SATS

At some point this term, we will hold another 'Mock SATS' week in preparation for the May exams. The Year 6 Team will plan very carefully how to administer and support each of the children. Please feel free to contact us if you have any questions regarding this. We will also be having a meeting about the SATs in the near future and will let you know the dates asap.

Curriculum

For information on what we will be learning as part of our India topic, please see the curriculum pages on our website.
