

Year 6 Summer Newsletter

A newsletter for Class 6 Parents

Summer Term 2024

Curriculum

For information on what we will be learning as part of our Prehistory topic, please see the curriculum pages on our website.

<https://www.stnicolasmary.w-sussex.sch.uk/page/?title=Curriculum&pid=35>

Curriculum News

Our topic for this term is 'Prehistory' where we will be examining the Stone Age, Bronze Age and Iron Age. We have lots of exciting learning opportunities planned.

School Trips & Enrichment:

Dalesdown Residential: 3rd June - 7th June 2024

Home learning

This term we will continue to set homework on a Friday, to be due in on the following Friday.

We are still on the lookout for any volunteer readers to support our pupils in year 6. If you do have a spare 15 minutes to help we would be most grateful. Please contact us if you can help.

PE KIT!

Don't forget that your child needs to have his or her PE kit in school at all times. Please wear the correct PE kit, as stated in the school policy.

Please be aware that your child will not be allowed to take part in contact PE with earrings in - this includes them being taped up. They may be given other tasks to complete instead.

Dalesdown

Our visit to Dalesdown is fast approaching! Please feel free to make an appointment to discuss any concerns or questions you may have about the residential trip.

SATS

With SATS approaching (Monday 13th May - Friday 17th May) please continue to support us, and your children, in doing little bits of revision, reading as much as possible and generally keeping them calm but focussed. We will be sending out more information about how the week will work logistically nearer the time. If you do have any questions please do get in touch.

YEAR 6 PRODUCTION...

The Year 6 Team are currently planning and gathering ideas for our leavers' Year 6 Production. We will confirm dates and times of performances asap! Watch this space!

Uniform

Please continue to adhere to the school uniform policy, which can be found on our school website. If there are any issues, please contact your child's teacher.

Many thanks for your continued support.
The Year 6 Team.
