

# Year 2 Class News

## Spring Term 2025

### Welcome Back!

We hope you all had a wonderful Christmas and we wish you a Happy New Year.

### Home learning

Every Friday, your child's home learning will be available from Google Classroom. Please ask the office if you are unsure of your login details. Home learning can be brought in to school in any format. Please do not upload it to Google Classroom.

### Reading

Hearing your child read often is vital for their confidence and progress at school. Ensure your child is changing their Book bag book and free choice book regularly. You can ask your child to practice spelling some of the words in their book/sheet. Once your child has read 10 times and we are able to tick this off in their reading diary, they can get a lucky book token.

### Maths

It is also crucial for your child to keep practising his or her times tables or division facts. If your child is confident at answering 'random' questions from the 2, 5, and 10 times tables including the corresponding division facts, they can then learn the 3 times tables and begin to divide by 3.

### Thank you

Thank you to everyone who helped Year 2 last term. Whether you have come in to read with the children [which is so important] or have been busy helping with the Nativity play, your help really makes an impact on the children's learning and is greatly appreciated.

### Well done

Well done to all of the Penguins and Puffins for performing so brilliantly in our Nativity play. You really made the play wonderfully special.

### PE

**Puffins: Monday, Thursday**  
**Penguins: Wednesday, Thursday**  
Please remember to label your child's belongings including all PE items. In the cold weather, children should have: tracksuit bottoms as well as shorts, t-shirt, trainers/plimsolls and spare socks.

### Curriculum News

Please find this term's curriculum information for all subjects on the school website.

<https://www.stnicolasmary.w-sussex.sch.uk/page/?title=Curriculum&pid=35>

### School Visits

This term Puffins and Penguins will get the chance to visit the South Downs Planetarium in Chichester. This special trip will happen on Tuesday 4th February.

### Making Appointments

If you need to see Miss Sinden or Miss Cleaver/Mrs Westcott for any reason, please feel free to catch us after school. We can discuss the concern then or, if need be, make an appointment to meet at another time.

### WANTED

We would be really grateful if you have any space related artefacts or books you could bring in to share with the class this half term.

Thank you in advance.
